

GOOD FRIENDS

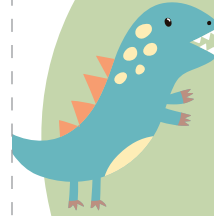

The Bible has a lot to say about friendship. Good friends make each other wise. They help each other. And sometimes they pray together. Ask God to give you friends like that!

Proverbs 27:17

YOU ARE LOVED

You belong to the family of God. It doesn't matter what anyone else says, or how unwanted you might sometimes feel, the truth is that you are God's treasure and he thinks you're wonderful!

1 John 3:1

FEELING ANXIOUS

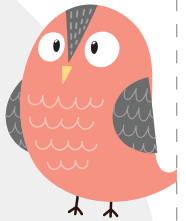

Everybody gets worried or scared sometimes. But God says that he will be with us, and that we can trust him to give us courage and strength.

Philippians 4:6

DON'T KNOW WHAT TO DO?

Everyone likes to make good choices, but sometimes it can be hard to know what to do. God promises that if we ask him for wisdom, he will give it to us.

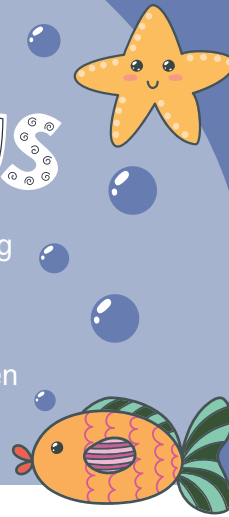

Psalms 32:8

TALKING ABOUT JESUS

One of the best things about knowing Jesus is getting to introduce other people to him! Ask God to help you tell your friends about Jesus, and even to give you the right words to say.

Mark 16:15

DONE SOMETHING WRONG?

The Bible says that we are ALL sinners. The good news is that God quickly forgives us when we confess our sin, and that NOTHING can ever stop God from loving us.

1 John 1:9
